## Need **First Aid Training** and need some help fundraising for your service?

### **TLC Training Solutions has the answer for both!**

Book a First Aid Course between now and the end of February 2012 and we will only charge a flat fee of \$1800 for up to 15\* participants.

#### **How does it work?**

Example: get 15 participants, charge \$150 per person and you will make for your service \$450! It's that easy!

Charge less or more it's up to you, TLC will only invoice you \$1800.

TLC delivers first aid on site at your workplace, via a workbook completed prior to a one day practical workshop.

If there are only a small number of you who need to do their first aid course and you don't want to use the fundraising opportunity, we can also accommodate your needs.
